# SAFETY WARNINGS AND INSTRUCTIONS

**PLEASE READ ALL  
SAFETY WARNINGS AND  
INSTRUCTIONS BEFORE  
USE TO AVOID INJURY.**

This is the safety alert symbol.  
It is used to alert you to potential  
physical injury hazards.

**These safety warnings and  
instructions cannot cover  
all possible conditions that  
could occur and users should  
exercise care and caution.**

**KEEP THESE SAFETY  
WARNINGS AND  
INSTRUCTIONS FOR  
FUTURE REFERENCE  
AS THEY CONTAIN  
IMPORTANT  
INFORMATION**

See [www.veeba-vape.com](http://www.veeba-vape.com) for any updates to these Safety Warnings and Instructions

#### Intended Users

- VEEBA™ is for adult-use only.
- VEEBA™ is for adults who would otherwise continue to use tobacco or nicotine-containing products.
- Children and adolescents should never use VEEBA™ under any circumstances.
- VEEBA™ should not be used by people with reduced physical, sensory or mental capabilities, or lack of knowledge, unless they have been given supervision or instruction to use the product in a safe way and understand the hazards involved.

#### Nicotine

- VEEBA™ contains nicotine, which is addictive.
- VEEBA™ is not risk-free. The best way to reduce nicotine-related health risks is to quit tobacco and nicotine use altogether.
- Some consumers of VEEBA™ reported experiencing (in alphabetical order) abdominal pain, cough, dizziness, dry mouth, headache, malaise, nasal stuffiness, nausea, mouth irritation, throat irritation, vomiting.
- Nicotine-containing products should not be used by people who have or are at risk of heart disease, are diabetic, are epileptic or are experiencing seizures.
- Nicotine-containing products should not be used during pregnancy or while breast-feeding. If you are pregnant, breast-feeding, or think you may be pregnant you should quit tobacco and nicotine use altogether.
- Stopping smoking or switching to VEEBA™ or other nicotine-containing products may require the adjustment of the dosing of certain medicines (e.g., theophylline, clozapine, ropinirole).
- If you have questions about whether you should use VEEBA™ given an existing health condition, you should consult a health care professional.

#### IMPORTANT SAFETY INFORMATION

##### WARNING

#### CHOKING AND INGESTION HAZARD

- Keep VEEBA™ out of reach of children and pets at all times.
- CHOKING HAZARD
  - VEEBA™ contains small parts.
- INGESTION HAZARDS
  - If VEEBA™ or its parts are swallowed, seek medical attention immediately due to risk of nicotine intoxication.
  - If e-liquid is ingested, rinse mouth and seek medical attention.

##### WARNING

#### ELECTRICAL AND BATTERY HAZARD

##### Electrical Risks

Failure to follow these Safety Warnings and Instructions could result in fire, explosion, electric shock, injury, or damage to the product or other property:

- Only Intended Users should use VEEBA™.
- Do not use VEEBA™ where the use of electronic devices is prohibited.
- Do not use VEEBA™ if damaged, tampered with or broken.
- Do not use VEEBA™ if its battery appears to be leaking.
- Refer to 'Technical Data' section and [www.veeba-vape.com](http://www.veeba-vape.com) for details.
- Do not use or store VEEBA™ in places with high temperature (such as inside a car in summer, or near heat sources such as radiators or fireplaces).
- Do not use VEEBA™ where flammable materials, liquids and gases are present.
- VEEBA™ should not be exposed to any liquid. Do not touch them if they become wet or have been immersed in any liquid.

- Do not clean the device with any cleaning agent.
- Never dispose of VEEBA™ with other household waste, as it may enter in contact with water and/or other liquids.
- Do not touch VEEBA™ if it overheats, sparks, fumes, ignites, or burns.
- Handle with care. Do not drop VEEBA™ or subject it to strong shock.
- This product contains no user-serviceable parts. Do not attempt to open, modify, service, disassemble or repair any component of VEEBA™ or to replace any of the components or battery.

**Battery Risks**

VEEBA™ is powered with a sealed Lithium-ion (Li-ion) battery. Under normal conditions of use, the battery is sealed. If you notice that battery fluid leaks, follow these precautions:

- If fluid from leaked battery is swallowed, seek medical attention immediately. Do not induce vomiting or ingest food or drink.
- If vapour from a leaked battery liquid is inhaled, get fresh air and seek medical attention.
- If fluid from a leaked battery is in contact with skin, wash hands and do not touch eyes.
- If fluid from a leaked battery is in contact with eyes, immediately flush with running water for at least 15

minutes and seek medical attention immediately.

**⚠ CAUTION Irritation Risk**

Avoid contact of e-liquid with skin and eyes. In the event of:

- Skin contact: wash immediately with soap and water.
- Eye contact: rinse carefully with water for several minutes.
- Contaminated clothing: wash before reuse.

**⚠ CAUTION Allergic Reaction Risk**

- Using VEEBA™ could cause an allergic reaction, such as swelling of the face, lips, tongue, gums, throat, or body, difficulty breathing, or wheezing.
- Stop using VEEBA™ and seek medical attention immediately if you experience any of the symptoms above as they may indicate a serious allergic reaction.

**Usage and Storage**

- Do not expose this product to excessive temperatures or moisture.
- It is recommended to use the product between 0°C and 40°C.
- Store in a place inaccessible to children.
- VEEBA™ is single use only and should never be re-used.
- Do not modify or attempt to refill VEEBA™ in any way or add any substance to VEEBA™. Doing so may cause injury.

**Reporting of adverse events or incidents**

- If you experience any unwanted health effect when using VEEBA™, consult a health care professional.
- You can report any adverse event or incident directly via [www.veeba-vape.com](http://www.veeba-vape.com). By reporting side effects, you can help provide more information on the safety of this product.
- For more information, please go to [www.veeba-vape.com](http://www.veeba-vape.com)

**TECHNICAL DATA**

**VEEBA™ Kit**

**Disposable electronic battery powered nicotine delivery system**

**Manufacturer: SMISS TECHNOLOGY CO., LTD. Building 2&3, Mingwei Industrial Park, No.1, Songgang Avenue, Baoan District, Shenzhen, China 518105.**

**The kit includes:**

Disposable electronic battery powered nicotine delivery system

Battery type: Lithium-ion battery (280 mAh)

Model M0012

Made in China

**CONFIRMATION OF COMPLIANCE**

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

- (1) This device may not cause interference; and
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

CAN ICES-3 (B)/NMB-3(B)

**INFORMATION ON DISPOSAL**

VEEBA™ device and its elements (including battery) must not be disposed together with household waste. Instead, you should dispose of your used device by handing it over to a special drop-off depot for recycling

of electric and electronic devices. Separate collection and disposal of used equipment (including battery) helps to preserve natural resources and ensures protection of human health and the environment. Disposal of used equipment as unsorted household waste (leading to its burning or dumping) may cause adverse consequences for the environment and human health.

For additional information about the places where you can deliver your device for recycling, please contact the local administration, or visit [www.veeba-vape.com](http://www.veeba-vape.com) to learn more.
